Visitors Expected From Every Part of U. S. and Europe and Canada.

Again the hotel men and restaurateurr of the country are flocking to New York city. Their seventh national exposition opens in the Grand Central Palace to-morrow afternoon, though the ceremonial opening will not take place will even by

the ceremonial opening will not take place until evening.

The event is conducted annually under the joint auspices of the New York State Hotel Association and the Hotel Association of New York City. Three floors of the Palace will be required to house the show this year instead of two, as heretofore, and visiting hotel men are expected not only from as far West as the Pacific coast but also from Canada and Europe.

There will be this year close to 200 separate exhibits, which is a record. They will include about everything used by hotels, restaurants, cafeterias, clubs, dining cars and interests allied with such business. The display is expected to make a particular appeal to women, for in the booths will be shown scores of the time and labor saving devices

# Cranberries Now is the Time to Buy Cranberries

Eatmor

for Preserving! Then you can enjoy the delicious tart flavor of this health-giving fruit every day in the year.

Cranberries are reasonable in price. They are easily and quickly prepared—no peeling—no cores—no waste. Economical!

Try these recipes:

Cranberry Jelly

Cook until soft the desired quantity of cranberries with 11/2 pints of water for each two quarts of berries. Strain the juice through a jelly bag.

Measure the juice and heat it to the boiling point. Add one cup of sugar for every two cups of juice; stir until the sugar is dissolved; boil briskly for five minutes; skim, and pour into glass tumblers, porcelain or crockery molds.

Cranberry Butter

Three pints cranberries, 1/2 cup water, 2 cups sugar. Cook the cranberries and water until the skins of the fruit are broken; then press through a sieve, and cook this pulp until it becomes quite thick; add the sugar and cook for 1/2 hour over a very gentle fire, stirring constantly. When slightly cool turn into jars, and cover closely. This makes a delicious and healthful spread on hot biscuits, bread, buttered toast, or cake.

Cranberry Sauce

One quart cranberries, two cups boiling water, 1½ to 2 cups sugar. Boil sugar and water together for five minutes; skim; add the cranberries and boil without stirring (five minutes is usually sufficient) until all the skins are broken. Remove from the fire when the popping stops.

Strained Cranberry Sauce

If a strained sauce is preferred, cook the cranberries and water; then press through the strainer, keeping back the skins; add the sugar and finish the cooking as

Cook cranberries in porcelain-lined, enameled or aluminum vessels -never in tin.
